[Click to register for Results Webinar - August 13, 1pm AEST.](#)

The New England Merino Sire Evaluation Association and CSIRO look forward to hosting an online field day for industry showcasing the New England MLP ewes and their results.

Website visitors will have access to the usual field day components:

- Site and field day welcome
- 2017 and 2018 results report
- Progeny group inspection videos
- Sire results pen cards
- Additional New England CSIRO research presentations
- MLP project presentations
- Links to site sponsors
